## Gov. Reynolds Issues Disaster Proclamation for Three Additional Counties Impacted by Recent Severe Weather

DES MOINES - Gov. Kim Reynolds has issued a disaster emergency proclamation for three additional counties in response to severe weather that has occurred since May 21, 2024. The governor's proclamation allows state resources to be utilized to respond to and recover from the effects of this severe weather and activates the Iowa Individual Assistance Grant Program and Disaster Case Advocacy Program for the following counties: Dallas, Poweshiek, and Webster counties.

A disaster proclamation was previously issued on May 21 for Adair, Adams, Cass, Clay, Hardin, Harrison, Jasper, Kossuth, Marshall, Montgomery, Page, Palo Alto, Pottawattamie, Tama, and Warren Counties, on May 22 for Black Hawk, Buena Vista, Butler, Cedar, Clinton, Dubuque, Fayette, Franklin, Hancock, Humboldt, Iowa, Jackson, Mills, Muscatine, O'Brien, Polk and Story counties, and on May 24 for Calhoun, Cerro Gordo, Johnson, Keokuk, Marion, Scott, Shelby, Union, Washington, and Wright Counties.

The Iowa Individual Assistance Grant Program provides grants of up to \$5,000 for households with incomes up to 200 percent of the federal poverty level. Grants are available for home or car repairs, replacement of clothing or food, and temporary housing expenses. Original receipts are required for those seeking reimbursement for actual expenses related to storm recovery. The grant application and instructions are available on the Iowa Department of Homeland Security and Emergency Management website <https://homelandsecurity.iowa.gov/assistance>. Potential applicants have 45 days from the date of the proclamation to submit a claim.

The Disaster Case Advocacy Program addresses serious needs related to disaster-related hardship, injury, or adverse conditions. Disaster case advocates work with clients to create a disaster recovery plan and provide guidance, advice, and referrals to obtain a service or resource. There are no income eligibility requirements for this program; it closes 180 days from the date of the governor's proclamation. For information on the Disaster Case Advocacy Program, contact your local community action agency or visit [iowacomunityaction.org](http://iowacomunityaction.org).

The proclamation waives fees for the issuance of replacement motor vehicle registration cards, plates, and driver license. The proclamation also temporarily suspends regulatory provisions of the Iowa Code that pertain to procurement of goods and services, hours of service for disaster repair crews, and various requirements for the transportation of loads related to disaster repairs. Additionally, the proclamation waives fees collected by the State Registrar of Vital Statistics or a county recorder's office associated with the replacement of records lost, destroyed, or rendered illegible as a result of the recent severe weather.

The grant application is available on the New Opportunities, Inc. website [www.newopp.org](http://www.newopp.org). Application deadline is July 12, 2024. Contact your local New Opportunities Dallas County Outreach Center with questions, 515-465-5185.
